WindSong Family,

Our elders have made the difficult decision to cancel all gatherings, including this Sunday morning. This decision came through much prayer and discussion. I want to commend our leaders for their deep concern both for God and His Word and for all the flock under their care here at WindSong. Our elders are fully committed to fulfilling their God-given role in shepherding the flock. This includes steering away from danger. In a very real sense that is what this decision has done. This is not a "blanket" decision, but they will be reassessing our situation each week. Please keep our leaders in your prayers as they continue to shepherd us through these unprecedented times.

We realize there are many within our congregation who are still having to work outside the home and many who are health professionals working near potentially infected people. Please know that you are in our prayers daily. We also know there are many who are confined to their homes due to preexisting health conditions that require them to remain isolated. Please know that you are continually in our prayers. If anyone has a need, please contact the church office by phone (501-753-7050) or email (office@windsongchurch.org), or post to our Facebook group (<https://www.facebook.com/groups/64970001471/>). If you are on Facebook but have not joined our Facebook group, please do so. This is a "closed" group for our WindSong members only. This is a great way to stay up-to-date on announcements, prayer requests, etc.

Now, concerning our worship this Sunday: While we will not have a "physical" meeting, we will have a service streaming live on Facebook beginning at 10:00 a.m. If you do not have Facebook, you will be able to watch the service as soon as it is posted to our website (www.windsongchurch.org/media). The service should be posted to our website by 11:00 a.m.

What about communion & offering? We will have two opportunities for you to come by the building and pick up disposable communion for you and your family. You can pick up communion and leave your offering this Friday & Saturday from 9:00 a.m. to 12:00 p.m. We will have a table setting just outside the church office entrance. We will monitor the table during those times. If those times do not work for you, please contact the church office by 11:30 a.m. on Friday.

Again, we want to remind you to be diligent to wash your hands regularly, do not touch your face, and limit social interactions and contact. We will continue to offer Bible studies throughout this time of disruption to our WindSong family.

Please continue to pray and take this opportunity to enjoy the blessing of your family.
